

5th Annual ISM Golf Outing

When: August 5, 2007 8:00 A.M.
Where: Stow Acres (www.stowacres.com/stow/StowSouth.htm)
What: Florida Golf Scramble – Shotgun start

Well it is that time of year where we can begin talking about one of the most popular events at ISM – the Golf Scramble. Okay all you conference goers, we are teeing it up again! We have selected the Stow Acres Golf Club as the venue for this year's event.

Stow Acres is a beautiful site and boasts [two award winning championship 18-hole golf courses](#), the North and South, anchored by a renovated antique [Victorian clubhouse](#). The two courses, designed by noted architect Geoffrey Cornish, were designated Best Golf Course by Boston Magazine. The South opened in 1921 as a 9-hole course. The North was selected as one of America's 50 best public courses by Golf Digest (1984, 1996) and hosted the U.S. Amateur Public Links Championship in 1995 - Only the second time ever in New England. In 2003 and 2004, Stow Acres has hosted the Monday qualifier for the PGA's Deutsche Bank Championship held at TPC Boston. Many believe that the South Course is the equal to the nationally recognized North. The reason? Great shot values. Many holes require an accurate shot with the correct club to a specific target area. Big rewards for the well hit shot and big penalties for those who take a risk and fail

Transportation and lunch will be provided to each participant.
