

# APHSA 2012 National Policy Forum

*“Pathways: The Opportunities Ahead for Human Services”*

June 3-5, 2012

Hyatt Regency Washington on Capitol Hill

Washington, DC

## **Keynote Speaker:**

**David Ellwood, Dean of Harvard’s Kennedy School of Government**

During the Clinton Administration, Mr. Ellwood was instrumental in the 1995 debate on welfare reform. He will speak about the lessons learned from that experience and how those lessons relate to the rising debate in this election year over the proper role of government.

The 2012 Policy Forum will focus on APHSA’s policy initiative, ***Pathways: The Opportunities Ahead for Human Services***, a policy analysis that will guide the association’s legislative priorities for years to come.

The 2012 Policy Forum will also feature activities in Congress and a review of the latest political situation. Human service professionals will get a firsthand look at what is happening in Congress and the Administration.
